

Getting Ready for The Exhibit Visit

We are excited about being with you and want to make this an unforgettable experience for your kids. Helpful tips ahead!

Dear Friend,

The **Dino Squad Exhibit** begins with the Welcome; then into the Museum for The Guided Tour, the Velociraptor Encounter; Independent Explore using the digital microscope and magnifying glasses.

(The Walk Through version is minus the guided tour.)

During Load In and Pack Out: For safety reasons, we do ask that kiddos be guided and kept clear of the museum area during set up and packing.

Start/Stop Times for Sessions Please go over with Mark or Tami important stop times for Lunch, Dismissal, and Bus Schedules.

Payment: A check or credit card for the agreed upon fee should be made payable to: Mark Daniel and ready on the day of the visit. Pre-payment is also fine.

Dino Squad features 4 iconic dinosaur groups:

T. rex, Triceratops, The Long Neck Sauropods like Diplodocus, and the Velociraptors.

The Guided Tour version is great for **up to 50 kids** at a time, **the Walk Through Version** works for **up to 60-75 at a time** and that makes it comfortable for most spaces, and we're able to accommodate large groups as folks move through at their pace .

The Day of: If there are volunteers, teachers or teaching assistants to help with flow and adult presence that is always welcome during sessions.

Photos and Video: There are **no photo or video restrictions** in the Exhibit, so snap away!

Thank-you so much for these considerations!
