ARRIVAL/TECH MARK DANIEL

Programs That Bring Reading and Science To Life!

GETTING READY FOR MARK'S VISIT

MAGICALSTORYTELLER.COM

EASY STUFF TO CREATE AN INCREDIBLE EVENT FOR YOUR KIDS!

Dear Library Friend,

May We Borrow: A table and 3 chairs at the performance area (In place upon arrival please.)

If possible, the performing area should be cleared and cleaned prior to arrival. Thank You!

Sound: Mark carries his own sound system and just needs access to an electrical outlet.

Seating: Strollers parked in the back of the room or on the sides are appreciated, and that helps with little kids being able to see. (Plus, parents with infants often have to step out and it's easier for them if the stroller is close to an exit.)

Crying Kids and Under 4s We love all kids, heck we were one ourselves, once upon a time. Unhappy and crying children in need of assistance should be aided in another room.

Under 4s sometimes roam, hey it's their job, however it should be gently suggested that perhaps their wiggles would be better served in the back of the room or in another space.

Social Media: Brief video clips and digital pictures are welcome for use on social media!

A Very Magical READAsaurus Adventure is a copyrighted program and recording of the program is prohibited without express, prior permission from MSD Productions.

Introduction: Mark loves to be introduced and is happy to go over a simple introduction with whomever will kick the program off.

Payment: A check for the agreed upon fee should be made payable to: Mark Daniel and ready on the day of the assembly.

Thank-you so much for these considerations!

GETTING READY FOR MARK'S VISIT WITH YOU

Stuff to Know

Mark's Arrival & Load In

On the day of the program Mark will plan to arrive approximately one hour prior to the visit (occasionally earlier). Upon arrival, Mark always appreciate the assistance to help carry in equipment to the performing area. (This takes 5-10 minutes.)

Room Temperature

It's a great idea to check the room temp the day of the program. 68 degrees is perfect to keep a young audience comfortable.

Set Up Time

for the program is approximately 60 minutes and packing up after the show requires about 30-45 minutes.

Program Length

The program length is approximately 40 minutes. For safety reasons, we do ask that kids be restricted and kept clear of the immediate stage (performance area) during set up and packing.

We can't wait to see you and your kids for A Very Magical Summer Reading Adventure!
