Mission Explore: The Sea Monster Adventure

(Note: Add date, time, place, and any registration info.)

This Summer, Mission Explore: The Sea Monster Adventure is coming to Summer Reading at the library! Summer Readers will see Amazing Fossils of many of their favorites; Megalodon, Mosasaurus, Ichthyosaur, and Plesiosaurus! Plus, Pterosaur, Spinosaurus, Whale, and Shark fossils too!

Your Tour Guide, Magical Storyteller, Mark Daniel is there with great books, models and incredible paleo art, all celebrating and studying the magnificent creatures that ruled the seas around the globe for millions of years. Plus, there's an awesome photo op with the fabulous mural art of renowned Paleo artist Phil Wilson!

Summer Readers will have a chance to see and touch some of the fossils up close, plus study them with magnifying glasses and digital microscopes.

During The Sea Monster Adventure, We'll Explore and

- Learn about the woman who discovered the first sea monsters and became the world's first Paleontologist!**
- Discover The Favorite Snack of the aquatic Spinosaurus!**
- Ponder whether the Plesiosaurus is indeed The Loch Ness monster?**
- Whether Mosasaurus could take down T rex or Spinosaurus?**
- Talk about if Sea Monsters exist today?**

Mission Explore: The Sea Monster Adventure unfolds in three parts:

- 1. The welcome and up close fossil session with stories and book talking with Mark.**
 - 2. A guided tour of the exhibit.**
 - 3. Your kids have free explore time with magnifying glasses and the digital microscopes.**
- Plus a photo op with Phil Wilson's Incredible Sea Reptile Mural.**

**Summer Reading Fun awaits with Mission Explore: The Sea Monster Adventure!
It's like an ocean of Positively Prehistoric Possibilities!**

The Sea Monster Adventure is brought to you by Magical Storyteller Mark Daniel and is a spinoff exhibit of the Traveling Dinos Museum Experience. This Summer, on loan from the museum, the Sea Monster exhibit becomes a Summer Reading Tsunami of Cool!
